

Classroom Times

Miss Tammy and Miss Lorna

teacher

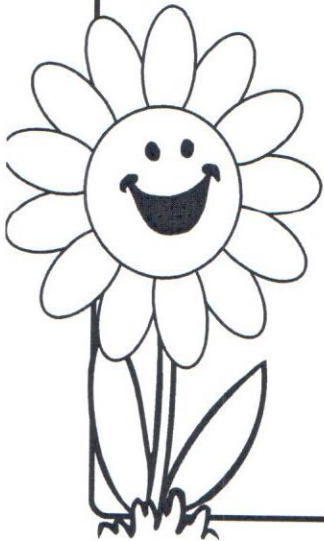

April 2017

date

In the classroom

We will be working on:

- Shapes
- Spring
- Live Butterflies
- Alphabet review
- Cutting

REMINDERS

Unless we get snow the majority of our snow is gone from where we play. However, if the weather continues to stay cold you may still want to send snowpants to keep your child warm outside. I also encourage boots if we should get rain.

Parent/Family ABC Bingo and reading night is April 11th from 5:30-6:30. Prizes to be given out!!!

Attendance Matters

Every school day counts! We don't want your child to fall behind in school and get discouraged. Here are a few practical tips to help support regular attendance: 1. make sure your children keep a regular bedtime and establish a morning routine. 2. Lay out clothes and pack backpacks the night before. 3. Ensure your children go to school every day unless they are truly sick. 4. Avoid scheduling vacations or doctor's apt.s when school is in session. 5. Talk to teachers and counselors for advice if your children feel anxious about going to school. 6. make a backup plan for getting to school if something comes up. Call a family member, neighbor, or another parent to take your child to school.

Don't forget to check out our weebly page. Pictures from our Nursery Rhyme unit are up and lots of other reminders and head start information.

Your child's first teacher is YOU!!!

Please remember to work on academic and social skills at home with your child. As their teacher's we work hard to implement the skills they will need to be successful in school but we cannot do it alone. Your child looks to you first to show them the importance of education and social norms. Please be active in your child's development!!!
