Help Your Child Succeed

Did you know that children have a hard time learning to read if they miss 10% of the school year? That's just 2-3 days a month, and that can add up before you know it. We know there will be days when your child will miss school, especially when they're sick. Let's work together to get all kids to school-

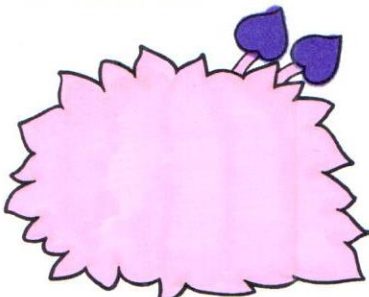

on time, every day!

Remember to check out our Weebly site at:

Lots of pictures and information about your child's class. This site can also be viewed on your smartphone.

Please do not send valentines to school with your child. Due to Head Start standards we are unable to exchange them. We will celebrate with a special treat with our lunch. Instead I challenge you to post a heart on your child's door that says something you love about them. Post one heart everyday from February 1st until Valentine's Day on February 14th. Attached you will find 14 hearts to do so!
